

Bayview Capital Group Announces Latest Transaction

WAYZATA, MINNESOTA, November 13, 2018 -- Bayview Capital Group ("Bayview") announces the recapitalization of its client Trystar, Inc. by Goldner Hawn Johnson & Morrison ("GHJ&M") together with members of management.

Bayview initiated the sale process and acted as the exclusive financial advisor to Trystar.

About Goldner Hawn Johnson & Morrison:

Goldner Hawn Johnson and Morrison is one of the longer-tenured private equity firms in the Midwest. GHJM focuses on middle market control transactions targeting industry sectors including industrial manufacturing, value-added/specialty distribution, consumer products and business services where the firm has knowledge and prior experience. GHJM's investment philosophy is to partner with the management teams of successful, growth oriented businesses with enterprise values of \$50 million to \$150 million. The Firm was formed in 1989 and is based in Minneapolis, Minnesota. For more information visit www.ghjm.com.

About Trystar, Inc.:

Founded in 1991, Trystar is a family-owned niche manufacturer based in Faribault, Minnesota offering temporary electrical power products for the large and growing power rental, industrial, commercial utility and back-up emergency markets that are experiencing secular growth stemming from increasing mobile power utilization, an aging grid, and the growing impact of natural disasters. Trystar's differentiated products serve a diverse customer base that includes the largest players in the equipment rental space as well as a variety of end users with critical power needs operating in the public sector, education, healthcare, retail and industrial markets. The Company's proven ability to innovate, the adherence to quality and an enviable corporate culture has driven impressive organic growth and an attractive financial profile. For more information on Trystar visit www.trystar.com.

About Bayview Capital Group LLC:

Bayview Capital Group is a boutique mergers and acquisitions firm specializing in the representation and sale of premier middle-market companies in traditional manufacturing and service industries. Bayview works with a limited client base so it can devote concentrated resources and personalized attention to each transaction. Client company revenues range between \$10 million and \$100 million. The company was founded in 1995 and operates with offices in Wayzata, Minnesota.
